

Potable water to vessels

Orders from 1.3.2016:

The order of potable water is always to be made by the agent of the vessel. If no agent available, please act according to these instructions.

Port of Loviisa Ltd purchases the water from Loviisa Water Utility.

Water delivery on working days 07:00 – 15:00

The potable water is delivered by the maintenance personnel of Port of Loviisa Ltd.

Orders Monday - Thursday 07:00 – 15:00 and Friday 07:00 – 13:00 by telephone.

Orders outside the service time for delivery on next working day via text message (SMS).

Tel. 0440 555 837 / Ville Vuokkovaara

Tel. 0440 555 838 / Jörgen Holmström

Water delivery outside normal service time

Outside service time Valkon Satamapalvelu Oy is responsible for the water delivery against an extra charge.
